### Thought:

**John 'Saw Jesus Coming Toward Him.'** – Jesus is always coming toward us, too. Why? Because he loves us. He never imposes himself. He does not burst through the door and force us to accept him or even acknowledge him.

However, he does remain close, hoping we will catch a glimpse of his love and, in that instant, recognize that he is everything our hearts long for. What will happen if we open the door of our life, of our heart, to Christ? He will call us to abandon the tight confines of our egotism, greed, lust, envy, and selfishness. He will open undreamed-of horizons and give a rich, new dimension to our poor, fleeting days on this earth.
