Second Sunday of Lent:

'Lent is like a long "retreat" during which we can turn back into ourselves and listen to the voice of God, in order to defeat the temptations of the Evil One.

It is a period of spiritual "combat", which we must experience alongside Jesus, not with pride and presumption, but using the arms of faith: prayer, listening to the word of God and penance.

In this way we will be able to celebrate Easter in truth, ready to renew the promises of our Baptism.' *(Pope Benedict XVI)*
