Thought:

'The impact is very noticeable in how the disciples allow the past to bless them. Their 'hopes' had been crucified by being brought in under the shadow of the Cross and they are now reshaped in the light of new wisdom. Their illusions yielded to reality and hope that was authentic emerged. Forgiving themselves for their blindness to God's ways and their unrealistic expectations of him became reality. Jesus has turned their wounds into wisdom. When a story ends in reconciliation and peace then it can be told with joy. Re-energised by their meeting with the risen Lord, renewed by his word and by the bread of life, the joy-filled disciples returned to Jerusalem as convinced and convincing witnesses.'

(From 'Turning wounds into wisdom'). (Martin Drennan)
