World Meeting of Families 2018 Icon:

A specially commissioned WMOF2018 icon of the Holy Family was unveiled and anointed on 21st August 2017, during the launch of the one-year programme of preparation at the National Novena in Knock, Ireland.

The icon is meant to encourage both reflection and prayer as part of the journey of preparations to World Meeting of Families 2018.

At the heart of the logo is the family. Family members are represented in different ages and roles while walking together in communion and love, helping one another through the journey of life. No one is excluded, no one is left behind. Couples, elderly, single, widowed, consecrated, clergy, children, all are important members of our families and all are invited to participate of WMOF2018.

AN INTERNATIONAL AND ECOLOGICAL EVENT:

The map of the world shows that families from all around the globe will come to Ireland for what will be a truly international event. While we see only a glimpse of the continents, they represent the whole world: the common home of all families, entrusted to us by God.

The Official Icon of the WMOF2018 will visit Boyle for the Pastoral Gathering next weekend and will come to St. Joseph's Church on Sunday 8th and Monday 9th October.
