I should like to speak with you, my God, and yet what else can I speak of but you? Indeed, could anything at all exist which had not been present with you from all eternity, which didn't have its true home and most intimate explanation in your mind and heart? Isn't everything I ever say really a statement about you?

On the other hand, if I try, shyly and hesitantly, to speak to you about yourself, you will still be hearing about me. For what could I say about you except that you are my God, the God of my beginning and end, God of my joy and my need, God of my life? But what am I really saying, when I call you my God, the God of my life? That you are the meaning of my life? The goal of my wanderings? The consecration of my actions? The judgment of my sins? The bitterness of my bitter hours and my most secret joy? My strength, which turns my own strength into weakness? Creator, Sustainer, Pardoner, the One both far and near? Incomprehensible? God of my brethren? God of my fathers? Are there any titles which I needn't give you? And when I have listed them all, what have I said? If I should take my stand on the shore of your endlessness and shout into the trackless reaches of your Being all the words I have ever learned in the poor prison of my little existence, what should I have said? I should never have spoken the last word about you.

(Karl Rahner)

A percentage of the funds raised this year will be donated to 'Niamh's Journey There' as she continues her difficult journey! Check out this link: <https://niamhsjourneythere.wordpress.com> The theme of this year's run is 'Fight back against Cancer' so that we all come out and fight against it together, both for Niamh and anyone else who benefits from the funds raised for Cancer Research in Ireland. It is a 5.4km run/walk and we encourage everyone to come out and participate , fancy dress is welcome. Entry is on the day and refreshments will be served afterwards. Sponsor cards available.
