*' God has created me to do Him some definite service.  
 He has committed some work to me which He has not committed to another.  
 I have my mission. I may never know it in this life, but I shall be told it in the  
 next. I am a link in a chain, a bond of connection between persons.  
 He has not created me for naught. I shall do good, I shall do His work.  
 I shall be an angel of peace, a preacher of truth in my own place, while not  
 intending it if I do but keep His commandments. Therefore, I will trust Him,  
 whatever I am, I can never be thrown away. If I am in sickness, my sickness  
 may serve Him, in perplexity, my perplexity may serve Him.  
 If I am in sorrow , my sorrow may serve Him. He does nothing in vain.  
 He know what He is about. He may take away my friends. He may throw me  
 among strangers. He may make me feel desolate, make my spirits sink, hide  
 my future from me.  
 Still, He knows what He is about.*
