Lord

I have no idea where I am going.

I do not see the road ahead of me.

I cannot know for certain where it will end.

Nor do I really know myself,

and the fact that I think I am following your will

does not mean that I am actually doing it.

But I believe that the desire to please you, does in fact please you.

And I hope I have this desire.

I know that if I do this, you will lead me by the right road,

Though I may know nothing about it.

Therefore I trust you always.

Though I may seem to be lost and in the shadow of death,

I will not fear, for you are with me,

and you will never leave me face my perils alone. (Thomas Merton)
