Refelection:

Each of us to some extent has felt the pain of rejection.

Rejection makes us feel that we are worthless.

It makes us want to shrivel up or even openly rebel.

It is like a shower of hail falling on tender young flowers.

Each of us longs to be accepted, accepted for what we are.

When someone accepts us they give us the feeling that we are worthwhile.

Acceptance means that we are free to be ourselves.

Even though there is need for growth and change we are not being forced.

It is the love and acceptance of others that makes me the unique person that I am.

When I am accepted only for work I do, then I am not unique,

for someone else can do the same work perhaps even better than I can.

But when I am accepted for what I am, then I become unique and irreplaceable,
and I can blossom to my full potential. This is how Christ accepts us.

(Flor Mc Carthy)
