**Thought:**

**I was hungry and you formed a humanities club and discussed my hunger. I was imprisoned and you crept off quietly to your chapel and prayed for my release. I was naked and in your mind you debated the morality of my appearance . I was sick and you knelt and thanked God for your health. I was homeless and you preached to me of the spiritual shelter of the love of God. I was lonely and you left me alone to go and pray for me. You seem so holy, so close to God. But I'm still very hungry and lonely and cold.**
