Prayer:

God of life, who cares for all creation, and calls us to justice and peace, may our security no come from arms, but from respect.

May our force not be of violence, but of love.

May our wealth not be in money, but in sharing.

May our path not be of ambition, but of justice.

May our victory not be from vengeance,

but in forgiveness. May our unity not be in the quest of power, but in vulnerable witness to do your will.

Open and confident, may we defend the dignity of all creation, sharing, today and forever, the bread of solidarity, justice and peace.

This we ask in the name of Jesus, your holy Son, our brother, who, as victim of our violence, even from the height of the cross, gave forgiveness to us all. Amen.
