### *Resting In Peace*

November is the month of letting go.

We let go of the light. The leaves gently let go of the trees.

We remember all ,who have this past year have let go of a loved one, back into the arms of God's embrace.

We pray for those gone before us, we have a special place in our prayers for those left behind. Your tears speak of a pain that is greater than words.

November invites us to rest awhile, November invites us to remember and rebuild our lives.

God's hands are the gentle hands of time, to bring comfort and healing to all wounded hearts.

Grief takes time, it takes tears, talking to a kind listener can help you to grieve the loss and the pain.

It's important to grieve in your own way and in your own time.

Our November prayers are with you, and we pray that your loved one is safe, at peace and at home close to God and closer to you.
