### **Bishop Kevin's Pastoral Letter on Discipleship and Mission in Changing Times**

This weekend, The Feast of the Baptism of the Lord, Bishop Kevin publishes a pastoral letter on Discipleship and Mission. This letter focuses on a number of related challenges:

- the need for us to take seriously Jesus' commission to the Twelve to "go make disciples"
- the mission of the family in nurturing Christian vocation
- the connection between discipleship and ordained ministry in the life of our Diocese today
- the need for us to re-imagine the shape of pastoral ministry in our Diocese, taking into account the number of priests, the population of our parishes and the declining financial resources.

The invitation to discipleship is central to the celebration of every liturgical season, every feast and every sacramental celebration. From the moment of conception to the moment of death we are being called. It is crucial for the mission of the Church in our Diocese that a culture of vocation in this general sense is fostered. It is out of that culture of vocation the people discern their specific vocational call. A copy of the pastoral letter is available in churches and also online at [www.elphindiocese.ie](http://www.elphindiocese.ie)
