*May God*

*grant you lightness in your step,*

*a smile on every face you meet,*

*Loved ones gathered at your hearth,*

*and at your door, good friends to greet ,*

*A holy hymn upon your lips,*

*a window candle burning bright,*

*and may the Good Lord bless your Heart*

*and come to dwell there Christmas night.*

# St. Joseph's Parish Christmas 2019

May knowing **JESUS** bring you  
**PEACE** to bless each day  
**HOPE** for each to tomorrow and  
**JOY** in every season.

*Some of the nicest things I know are fragile  
 Sunsets that cloud up quickly  
 Dew pearled spider webs and babies smiles  
 God, you chose not to come in power nor dressed in fine gear  
 in that wintry hour.  
 How many of us get it wrong and think to be great,  
 one must be strong.  
 You came as a baby, fragile in every way.  
 Teach us to imitate your likeness.  
 Protect us from the hunger of power and importance.  
 Let us treasure each moment of life's fragile hour.*

*Wishing you the Blessings  
 and Joys of Christmas  
 and a Happy New Year*
