Lent is the time for trimming the soul and scrapping the sludge off a life turned slipshod.

Lent is about taking stock of time, even religious time.

Lent is about exercising the control that enables us to say no to ourselves so that when life turns hard of its own accord we have the stamina to yes to its twists and turns with faith and hope...

Lent is the time to make new efforts to be what we say we want to be.”
(Sister Joan Chittister)
