Pandemic Prayer

May we who are merely inconvenienced
remember those whose lives are at stake.
May we who have low risk factors
remember those most vulnerable.
May we who have the luxury of working from home
remember those who must choose between preserving their health or
making their rent.
May we who can care for our children when their schools close, re-
member those who have no options.
May we who are taking precautions to protect
ourselves , remember those who are risking themselves to protect
and save others.
May we who have to cancel our trips
remember those that have no safe place to go.
May we who are losing our margin money
remember those who have no margin at all.
May we who settle in for a quarantine at home
remember those who have no home.
We ask you, Lord, to bless those we remember in this way with your
unequaled love and protection.
During this time when we cannot physically wrap our arms around
each other.
Let us yet find ways to be the loving embrace of God to our
neighbours. Amen. (Fr. Larry Tensi)
