Trinity Sunday

Father, grant that I may be a bearer of Christ Jesus, Your Son.

Allow me to warm the often cold,

impersonal scene of modern life with Your burning love.

Strengthen me by Your Holy Spirit

to carry out my mission of changing the world for the better.

Make me more energetic in setting rights what I find wrong

with the world instead of complaining about it.

Nourish in me a practical desire to build up

rather than tear down, to reconcile instead of polarize,

to go out on a limb rather than crave security.

Never let me forget that it is far better to light one candle

than to curse the darkness,

and grant that I may join my light, one day, with Yours. Amen.

St. Vincent de Paul :

We are living in very strange times. Covid 19 has changed our lives in so many ways. At this time we are all encouraged to reach out to our neighbours, to help and to give to others who are in need. But we must also remember that we all need help sometimes. That is what the St. Vincent de Paul is there for, to help and support people through tough times, times like this when we stand on such unsteady ground.

We know it can be hard to ask for help, but please know from the minute you make that phone call or send that email you will breath a sign of relief because we will listen, we will help and we will be there for you.
