#### Prayer for Strength:

Lord, every day I need you, but especially this day.

I need some extra strength to face whatever is to come.

This day, more than any other day, I need to feel you near me, to fortify my courage and to overcome my fear.

By myself I cannot meet the challenge of the hour.

I need you to sustain me in all that life may bring.

And so, dear Lord, hold my trembling hand.

Be with me, Lord this day,

So that I may know your guiding hand at work in everything,

and know your guiding presence with me always. *Amen.*

#### Message from Bishop Kevin - Covid-19

I am very conscious of the huge disappointment that we all feel as a result of the renewed restrictions throughout our country, especially as such a very fine job has been done over the past three months in preparing our Churches for the safe and dignified celebration of the liturgy. Thanks to the excellent work done in all our parishes, no cases of infection have been notified which originated in church settings. Unfortunately, given the wider spread of viral infection, there is a concern that the virus may spread wherever there is a gathering of people. It is important that we retain a strong sense of the presence of God with us and to be united as a community in prayer. Please continue to follow all the public health guidelines and stay safe.
