Baptism Community

Imagine a small group of people, passionately dedicated to living out their vision, their shared beliefs and values.

Imagine that soft somebody from outside saw how they lived and was attracted to find out more.

Imagine this person eventually deciding to ask if they could join the group.

Imagine the response – the delight, the honour- the desire to celebrate this event.

Imagine the celebration, what it means for the newcomer and what it means to those already in the group, as a confirmation of their faith and as a new spur to their living.

That is what every baptism is meant to be in the Christian community. That is how central baptism is. Each newcomer is a celebration of what we all are, revitalising our sense of who we are, impressing on us once more the distinction of our calling.

I wonder about the reality through,

When baptism is little more than a private event, taking place when there is nobody else around in the Church.

Imagine if it were part of Sunday Eucharist,

Imagine if we were delighted, imagine if we were inspired.

Word of Appreciation:

As we begin a New Year 2021 we take this opportunity to thank each of you for helping us get through a very difficult year. A year we will never forget.

Thank you for your understanding as we had to restrict numbers at difficult times and thanks to those who stayed away to allow others to come.

To all who decorated the Church, put up the Crib, helping to bring a bit of brightness into our lives.

To the Stewards, Cantors, Readers and all the people who helped in so many ways.

To all who distributed the calendar, Christmas envelope and boxes of contribution envelopes a special word of thanks.

To Padraig in the Sacristy for keeping an eye on everything.

We look forward to better things in 2021.

Christmas Collection:

A sincere thanks to you for your generous contributions towards the Christmas Collection which goes for the support of the Priests.

In the light of the past year it was deeply appreciated.
