Easter Sunday

Easter Sunday dances with new possibilities and as the dawn of a new reality emerges, my heart begins to burn with a passion for possibility. Easter Sunday is the invitation to recognise, in the words of Sam Keen, that 'reality as a whole is sacramental'.

"Reality as a whole is sacramental. Any tree, person, or event may become transparent to the holy power that informs every living thing. Revelation is always new; it is a process, not a product. The world is the vocabulary of God.....

We may find that which makes us whole, which undergirds our lives with the certainty of dignity and value, at any point in our experience....

The ordinary is seen as holy...... "

(Finola Cunnane)

On behalf of us all here in the Parish, we wish you a time of new life, new hopes and new possibilities as we celebrate the feast of Easter.
