Thought:

The greeting of Elizabeth to Mary 'Blessed are you among women and blessed is the fruit of your womb' is a joyful welcome of the child to come. Bringing new life into the world through pregnancy and birth is one of the most awesome human experiences. How have you experienced this for yourself or in someone close to you?

The image of the pregnant Mary going a distance to visit her cousin is a symbol of her willingness to look beyond her own needs to the needs of another. When have you witnessed that kind of generosity in others, or have been able to act in this way yourself?

Mary is praised for her faith, because she believed the promise made her by the Lord would be fulfilled. In what ways have you experienced blessings from your faith and trust in God's promises? What are God's promises that mean the most to you? (John Byrne OSA)
