Thought:

Jesus invites Peter to put out the net again, and Peter does so though he thinks it pointless.

When have you felt it was pointless to stick with a task, but did so none the less and been surprised by results?

We never know when our efforts are going to bear fruit.

'Push out into the deep' the invitation is to go out into unfamiliar water, where we are not sure what will happen, where we feel uneasy, and our safety is not assured.

When have you responded positively to that kind of an invitation and got positive results you did not expect?

The story gives us a glimpse of what prepared the disciples to follow Jesus.

They were helped by the compassion and concern of Jesus (cured Peter's mother in Law, attracted by his work and teaching and witnesses the power of God at work through him.

This led them to 'leave everything and follow him'.

Who, or what, influenced you in making key decisions in your life?

Who was Jesus for you in those situations? **(John Byrne osa)**
