World Mission Sunday:

World Mission Sunday is the Holy Father's annual appeal for spiritual and financial support so that the life-giving work of overseas mission and missionaries can continue. It always falls on the second last Sunday in October, meaning this year it will be celebrated over this weekend and is coordinated in Ireland by Missio Ireland. All offerings made on behalf of World Mission Sunday become part of the Holy Father's Universal Solidarity Fund. This Fund supports missionary activities in over 1,100 young dioceses, mostly in Africa, Asia, and Latin America. As young dioceses grow, so do their needs. On top of this, they are often found in remote areas devastated by conflict or natural disasters. The Universal Solidarity Fund provides aid so that missionaries can continue to go to these places to share the love of God.

Parish Pastoral Council Elections:

At the last Parish Pastoral Council meeting, we discussed the election of new members on to the Council and the best way to do it.

It was decided that each household would get an envelope with two ballot papers. That envelope will go out with the November envelopes. Names that are on the Ballot paper are **not** eligible. You are asked to give serious thought to your selection with gender balance and young people in mind. A well-established and well-formed Parish Pastoral Council helps the parish to grow. Next weekend there will be a box at each of the church doors marked 'Parish Council', please return your ballot paper(s) to the box provided.

May the Holy Spirit guide and direct you.

Area Collectors: are kindly asked to collect Envelopes for 'All Souls' Collection and Parish Pastoral Council Election after all Masses this weekend October 22nd / 23rd October.

Roscommon Rapid Response is holding public meetings throughout the county to inform community members and defibrillator groups about the Community Emergency Response System. We will also provide groups with a map of their defibrillator locations, which will enable them to identify black spots and a draft outline of a proposal for Grant Aid. The Community Response System enables a 4/5 minute medical response (quality CPR & Defibrillation) for Cardiac Arrest victims in your community. We can save lives in every community throughout Co. Roscommon with a very simple community emergency response system. Meeting will be held in **St Joseph's Resource Centre, Boyle 1st November 2022** commencing at 8.30 p.m. and will last one hour. Individuals or Groups can, after meeting, discuss their individual issues.
