Thought for Lent:

Perhaps this coming Lent we might:

Fast from the hurtful words that demean others and demean ourselves ever more, and speak words laced with kindness, understanding and good humour

Fast from rushing and the restless mind and take the time to slow down to rest and reflect.

Fast from the constant addiction to social media and mobile phones especially at meal times and take time to talk and to listen to people face to face.

Fast from “the long face” and take time to smile with our eyes.

Fast from what harms our body, health, mind, and cultivate a more healthy diet and lifestyle.

Fast from buying something, we do not really need and put that money into our Trócaire box for some of the poorest people in our world in Somalia, Turkey and Syria.

Fast from being hard on yourself.

Trócaire boxes available at all the Church doors.
