Feast day 17 March. - What can we learn from St Patrick today?

To entrust ourselves, our Church, our country to God's protective care to have full confidence in the Lord's healing presence and power.

'The Lord's is the earth and its fullness, the world and all its peoples'.
To give thanks for God's special care and call to each of us, knowing that God took the initiative in our vocation and will sustain us day by day, to be devoted to reading the Gospels so that we take on the mind and heart of Christ Jesus and make decisions according to the mind of Christ.

To be receptive to God's will in all our trials, to trust him unreservedly, God uses these trials to shape our hearts and conform us to Christ Jesus.

To be alert to all the opportunities we are given each day to proclaim the Gospel, and to know that whatever good we do is through God's boundless grace.

To believe in the importance of intercession for our people and all people at this time.

(Mother Marie Fahy)
