Thought:

Each year the transfiguration story follows the temptation.

A glimpse of glory strengthened the three key apostles, later witnesses of the agony.

Stand up....and do not be afraid.

God never allows a testing without first strengthening our faith.

The bread is blessed before it is broken.

Listen to him. A practical programme for Lent might aim at better listening to God, to others and to our inner selves.

We might need to fast from compulsive social media: on the phone at meals, being too busy for family, living in the fast lane.

To listen with attention is the first step in loving.

Time with Scripture shows a desire to listen to God. **(by Silvester O'Flynn).**

Trócaire:

In 1973 the bishops of Ireland founded Trócaire in response to injustice and suffering in the developing world.

Today Trócaire provides support to areas in great need around the world, empowers peoples in these areas to develop skills and abilities to cope with crises, and creates greater awareness of global issues in Ireland.

With your donation to their lenten campaign, Trócaire can continue its life-changing work and bring hope and joy to those with whom we are privileged to work. www.trocaire.or
