### Congratulations:

Once again, many thanks for your generosity towards the parish.

That generosity is deeply appreciated.

### Thought:

Holy Thursday, Good Friday and Holy Saturday were fast days for the disciples.

Trauma followed tragedy with no time to process or make sense of what happened. In shock, overcome with grief, the pair are soon joined by a stranger who to their amazement, seems not to know what transpired.

As they walk, the two explain the situation of confusion, torture and loss.

The strange, who is the risen Jesus unrecognised, tells them the story from a new lens and a larger perspective.

Beginning with the foundations of faith in Moses and the prophets witness, the hidden Christ unpacks all the promises of God to show how they point to the paschal mystery of death and resurrection.

Every day, every moment, we are called to open our eyes to the broader story of grace, accompaniment and love happening all around us.

To make meaning of our experience, we take the long view and see how goodness, hope and love are resurrected again and again in our lives.
