### Take Time to Rest:

*God doesn't sweat. He doesn't get tired or suffer with aching muscles. He never needs to take an aspirin. Yet what did he do after creating the world? He rested. He took the time to step back, cease working and enjoy His creation. If an all-powerful being took the time to rest, that should speak volumes to us mere mortals. We need to rest occasionally. We need to take time to recover physically, emotionally and spiritually from life's demands. We need time to take stock of where we've been, where we are and where we're headed.*

*We need to take the time to be a friend, a parent, and enjoy our status as a child of God.*

*Additionally in resting, we find the time and the right frame of mind to contemplate God's wonders and to thank Him for His grace and kindness to us. We gather the energy to run the next miles on our journey with Him, and towards Him.*

### Down and Conon Cursillo Peace Pilgrimage:

The Annual Walk will take place on Friday 21st July. The group will be here for the 7.30p.m. Mass and will be staying overnight and will be looking for host families.
