All of us are linked by Unseen Bonds:

The Catechism teaches, 'God wills the interdependence of creatures'.
Creatures exist only in dependence on each other,
to complete each other and in the service of each other....

All of us are linked by unseen bonds, and together form a kind of
universal family, which fills us with sacred, affectionate and humble
respect: God has joined us so closely to the world around us, that we
can feel the extinction of a species as a painful disfigurement.

(Pope Francis)

SEASON OF CREATION

At this weekend's Masses we are blessing the water which we have
brought to bless all the natural creation which touches our lives: our
land, garden, pets, animals, places we enjoy visiting, woodlands, fields,
beaches

Next weekend we are going to celebrate the gifts of the earth that
nourish us – our food. So, we will be reflecting on and giving thanks for
all that we eat: fruits, vegetables, grains, nuts, meats, fish, dairy, wines
and baked foods. This week an idea might be to say a grace before
meals to honour where all our food comes from.
