We are on a Wonderful Pilgrimage:

Concern for the environment needs to be joined to a sincere love of our fellow human beings....

We are united as brothers and sisters on a wonderful pilgrimage woven together by the love God has for all creatures.

A sense of deep communion with the rest of nature cannot be real if our hearts lack tenderness and concern for our fellow human beings...

The natural environment is a collective good, the patrimony of all humanity, and the responsibility of everyone. (Pope Francis)

Next Wednesday evening at 7 pm in the Resource Centre, there will be a showing of the film 'The Letter'. Pope Francis explores the current world situation with people of different cultures. Places are limited. Add your name to the booking list at the back of the church.
