Our Common Home:

The urgent challenge to protect our common home includes a concern to bring the whole human family together to seek a sustainable and integral development, for we know that things can change.... Humanity still has the ability to work together in building our common home....

All of us can co-operate as instruments of God for the care of creation, each according to his or her own culture, experience, involvements and talents.

(Pope Francis)

Season of Creation

We look forward to welcoming Sr. Nellie McLaughlin RSM who will speak about her life and work at all Masses on the weekend of 30th September and 1st October. We will also have a discussion and slide presentation with Nellie after the 7.30 p.m. Mass on Saturday 30th September, in the Resource Centre for all who would like to attend. She offers retreats and conferences in creation spirituality throughout Ireland and internationally. She is a co-founder and a director of Green Sod Land Trust Ireland (est. 2007) and current Chairperson of the Justice, Peace, and Integrity of Creation Group in the Clogher Diocese.
