Thought: 'The Earth was Here Before Us':

The earth was here before us, and it has been given to us...

The Creation accounts in the Book of Genesis suggests that human life is grounded in three fundamental and closely intertwined relationships: with God, with our neighbour and with the earth itself... Universal communion excludes nothing and no one.... Everything is interconnected.
(Pope Francis)

Boyle Musical Society:

Rehearsals for Boyle Musical Society's forthcoming production of the spellbinding musical, 'The Hunchback of Notre-Dame' will begin on this Monday, September 4th in St. Joseph's Hall at 8pm.

Everybody is welcome to join up for twelve weeks of music, drama, dancing along with some serious fun. We are looking forward to seeing plenty of new and familiar faces there on the first night but please note that unfortunately there are no parts this year, for students attending second level school. The production team will be there to welcome everybody and outline the show.

Congratulations:

To the parents, guardians and students of the L.C.Class of '23 on surviving the rite of passage that is the Leaving Certificate! No doubt your focus has now shifted to the next stage of your education/ training. SVP is committed to facilitating access for all students to education. We are also aware of the huge costs in terms of accommodation, travel and living expenses associated with further education. An SVP Education Bursary could go some way to defray these costs for your family. Each application for the Bursary will be assessed on its individual merits and please be assured the process will be carried out in the strictest confidence. To obtain an application form contact SVP. West Region Office on (091) 563233, or phone/ text (087) 9292627.
