Catholic Schools Week 2024

Christian service puts faith into action.

In Catholic schools, as we study and look to Jesus Christ as our role model and Teacher, we come to a greater understanding of the depth of Christian service.

Jesus served every person regardless of creed, background, faith, social status or age.

He put faith into action by showing all those around him how our Heavenly Father is compassionate, courageous and forgiving. Jesus didn't just talk about His faith; He lived it.

We are called by faith to go into the world to share the love of God with all those we meet.

Each person, at every age, is called to become Christ for another by serving every person with a humble heart and with a generous spirit.
