### Arking About: Lessons from Noah's Ark

1. Don't miss the boat.
2. Remember that we are all in the same boat.
3. Plan ahead – it wasn't raining when Noah built the ark.
4. Stay fit – even when you're 600 years old, someone may ask you to do something big.
5. Don't listen to critics: just get on with the job that needs to be done.
6. Build your future on high ground.
7. For safety's sake, travel in pairs.
8. Speed isn't always an advantage. The snails were on board with the cheetahs.
9. When you're stressed, float a while.
10. Remember: the ark was built by amateurs, the Titanic by professionals.
11. No matter what the storm, when you're with God, there's always a rainbow waiting.

### Area Masses:

The Parish Pastoral Council discussed the bringing together and building up community in our Parish. A suggestion was made to have Area Masses over the 5 Thursdays of Lent and afterwards a cuppa and chat with neighbours in the Resource Centre. An invitation will be delivered to your home when your Area Mass is scheduled.
