The Unfinished Painting:

Leonardo da Vinci had started to work on a large canvas in his studio. For a while, he worked at it – choosing the subject, planning the perspective, sketching the outline, applying the colours, with his own inimitable genius. Then suddenly he stopped working on it. Summoning one of his talented students, the master invited him to complete the work. The horrified student protested that he was both unworthy and unable to complete the great painting, which his master had begun. But da Vinci silenced him. "Will not what I have done inspire you to do your best?" Jesus our Master began to spread the Good News two thousand years ago by what he said and did, and supremely by what he suffered. Jesus illustrated his message and left us to finish the picture. Will Jesus' life not inspire us to finish the picture? This is the message of the Ascension.
