Pentecost Sunday

The fifty days of Easter conclude today with the Feast of Pentecost when the Holy Spirit came among the apostles in the form of tongues of fire, as they were at prayer.

The Holy Spirit is our helper and guide today and always.

When you begin to pray call on the power of the Holy Spirit and always try to be 'fired up' by the gifts and fruits of the Holy Spirit.

'Let us open the doors to the Spirit, let ourselves be guided by him and allow God's constant help to make us new men and women'.

(Pope Francis)
