Season of Creation Sept 1st to Oct 4th 2024:

Creation is God's work. Before humanity was, the rest of creation came into being. The earth and her creatures – indeed the whole cosmos – have beauty, dignity and meaning before human presence. So to nurture awe at the wonder of creation is part of our calling. Look up into the skies, walk in the fields, stand at the ocean's edge. Everything belongs, everything has beauty!

Formed 'from the dust of the ground' we are people intimately connected to the earth. As living begins our life comes from the Creator God, whose breath animates us.

What will we do with the breath that flows in and out from our bodies in the time that it is gifted to us? (Ian Adams)
