A blessing for Creation:

Bless us, † in the name of the Father, the Son and the Holy Spirit.

As we go forth with joy and hope to care for God's creation,

– walking gently on the earth, – in right relationship, – nurtured by your

Love, – taking only what we need, – giving back to the earth in

gratitude, – honouring all with reverence, – reconciling and healing,

– mindful of those who will come after and of the poor today –

recognising our proper place as part of, not apart from, your creation.

Ignite your Spark within us, that we may know ourselves as truly human

and irrevocably part of the Web of Life (LS). (catholicbishops.ie)
