Hope: First Sunday of Advent:

Hope looks for the good in people instead of harping on the worst.

Hope opens doors when despair closes them.

Hope discovers what can be done instead of grumbling about what cannot.

Hope draws its power from a deep trust in God and the basic goodness of humankind.

Hope regards problems, small or large, as opportunities.

Hope cherishes no illusions, nor does it yield to cynicism.

Hope sets big goals and is not frustrated by repeated difficulties or setbacks. Hope pushes ahead where it would be easy to quit.

Hope puts up with modest gains, realising "the longest journey starts with just one step".

Hope accepts misunderstanding as the price for serving the greater good of others.

Hope "lights a candle" instead of "cursing the darkness".
