Thought:

'Repent', in other words, 'Change your life'.

Today Jesus speaks those same words to you: 'Take heart, I am here with you, allow me to enter and your life will change'.

Jesus knocks at the door. That is why the Lord gives you his word, so that you can receive it like a love letter he has written to you, to help you realise that he is at your side.

His word consoles and encourages us.

At the same time it challenges us, frees us from the bondage of our selfishness and summons us to conversion.

Because his word has the power to change our lives and to lead us out of darkness into the light. (Pope Francis)
