### Mother's Day:

'Children Do Not Realise':

As children, we cannot comprehend or fully realise the meaning of a mother's love, how tender and how wise.

Her patience and her guidance, her helpful, caring ways.

The special thoughtful things she does to brighten up the days.

Years go by, before we know the depth of her concern.

We love her protectiveness – it takes so long to learn.

But, as we grow, we understand, for we look back and see.

Through older eyes and wiser hearts, her love and loyalty.

It's these and many other things that make her grow more dear.

More admired and more appreciated with every passing year.

### Feast of St. Patrick:

Tuesday 17th March Feast of St. Patrick.
