Reflection:

Don't give up.

As we journey into the penultimate week of Lent there might be a tendency to let things slide. We might be tempted to relax in our commitment. Long distance athletes speak about 'hitting a wall', a reference to the moment in a race or event where they feel they want to stop or have nothing left to give.

Somehow, they dig deep and find the reserves of energy they need to continue. We need to know that, as we journey toward Holy Week and dig deeper into our faith, somewhere in that despair or unknowing we can find the grace to continue.....

Boyle Defibrillator Group:

The group has taken delivery of 7 defibrillators, which will soon be installed, at the following locations: An Rioga - under the arch, Carty's Garage, External wall of Drumderrig Nursing Home, Service block at Boyle Harbour, Feelystone, External wall of Grange National School. Volunteers are now required to train in CPR and become confident in the use of defibrillators. Anyone requiring a refresher course will be welcome. It is important that we have First Responders close to the defibrillator locations. If you are interested, text your name and contact details to 086 0736344 or 086 0681035.
