Thought:

As we accompany Jesus through these highs and lows of holy week, we're meant to find ourselves in his life and to see Christ in our life too. Each year we read the exact same readings, and yet, we don't read them the same way. Why? Because although the stories from Scripture don't change, we ourselves are not the same people reading them. Since last year's Holy Week, we've had a whole year of growth and change and new joys and sorrows.

There may be a piece of this familiar story that we hear in a different way, a new insight that we gain, a new way that this time in Jesus's life resonates with our own life. (Godspacecommunity.com)
