Thought:

Jesus speaks about being still alive even after his death.

Mostly we find Jesus to be alive for us in the love of others.

There is an energy of love, which is connected to the energy of God, for God is love.

This is the working of the Spirit of God, alive in love, care and compassion, and in all other good works.

Love is evident in action and any activity can be tiring.

I do not need to rely on my own resources but turn to God who promises to help me, ready to send the Holy Spirit.

Like a bargain-hunter or a bird-spotter, I train my heart to recognise the ways of God. *(sacredspace.com)*
