The Circle Around My Life:

Much of our lives is spent in keeping people out.

We have private houses, private clubs, and so on.

Of course, there are times when we need to be alone.

Yet there is a sense in which our size as human beings can be measured by the circles we draw to take other people in:

The smaller the circle, the smaller the person.

A strong person isn't afraid of people who are different.

A wise person welcomes them.

By shutting other people out we deny ourselves, the riches of other people's experience. We starve our minds, and harden our hearts.

In the beginning, God gave the earth its shape.

He made it round. He included everybody. So should we.

First Friday: Friday 3rd July is the First Friday of the months.

RTE to Broadcast Documentary about Father Edward Flanagan:

RTÉ One television will broadcast the feature-length documentary *Heart of a Servant - Father Flanagan Story*, at 9.30pm on Monday 6 July. This is an excellent production focusing on a very important personality and native of our diocese, and it informatively recounts the challenges and successes, against the odds, of an exemplary Irish-American priest.
