Thought:

'If there is hunger anywhere in the world, then our celebration of the Eucharist is somehow incomplete everywhere in the world.....

In the Eucharist, we receive Christ hungering in the world.

He comes to us, not alone, but with the poor, the oppressed, the starving of the earth. Through him they are looking to us for help, for justice, for love expressed in action.

Therefore, we cannot properly receive the bread of life unless at the same time we give the bread of life to those in need wherever and whoever they may be. (Pedro Arrupe)
